Testimonials for the Website

What I like about Slindon school is the field. It is a big space to run around in and I have got lots of friends to play with. The goal nets are good and we have lots of equipment to play with. What I like about Slindon school is the teachers are great they look after you and you get to go swimming. Swimming is my favourite. Swimming is a lot of fun for me.

Why I like this school is that the teachers give us tests. Another thing I like is the clubs they do at lunch time and after school. I also like it because it has three classes and it is small.

I like Slindon school because of the football we can play against lots of different people. I like all the teachers because they help us when we get stuck on our work and they are so nice. I like all the lessons we have especially P.E. and Art because we do lots of sport in P.E. and we do lots of painting and making things like Gods and Goddesses. Slindon is a very small school because we only have 60 people and we get to know everyone much quicker.
